\$400

Marketing Campaign

Although high-quality equipment was appealing, we chose the marketing campaign because it is more affordable and it will boost our small business which can lead to more profit for us.

\$500

Website & Online Ordering

The opportunity cost was high-quality equipment since it was the best alternative.

\$300

Emergency Savings

The trade-off matters because it is a safer option to start off our business strong.

Total Cost: \$1,200

Alternatives:
High-Quality equipment, Extra Inventory
